</tbody>
</table>

SDIP payments are received in a lump sum. The lump sum is calculated by multiplying the SDIP monthly rate by the number of additional months a Sailor agrees to serve at sea in the SDIP contract.

Notes:
1. For Sailors in active duty billets only.
2. For Sailors in FTS billets only.
3. Only for Sailors at aviation squadrons on type 2/4 sea duty for rotational purposes.
4. Operational Billets only for L02A and L28A.
5. If a rating at NAS Lemoore receives a higher monthly rate of SDIP elsewhere on this chart, the higher monthly rate will be.
6. First tour CMDCM and CMDCS (CSEL) are ineligible.
7. For Sailors permanently assigned a submarine.
8. To include operational NSW billets.
9. Include Sailors on sea duty assigned to surveillance towed array sensor system (SURTASS) billets that are deployable onboard SURTASS vessels. Sailors in paygrade E-3 are not authorized SDIP for SURTASS billets.
