NP2

<https://prodhr.np2.cloud.navy.mil/my.policy>

- **TSC/Personnel Office Clerk:** The role of 'CLERK' as used in this SOP refers to a civilian Clerk, a contractor, or a Command Pay and Personnel Administrator (CPPA) authorized to *create* NSIPS transactions.
- **TSC/Personnel Office Supervisor:** The role of 'SUPERVISOR' refers to a civilian MILPERS or MILPAY Supervisor/Lead/Auditor or a senior Personnel Specialist who is normally designated as a person authorized to *release* NSIPS transactions.
- **Note:** "If the designated supervisor is not a MILPAY lead/auditor, then a TSC Deputy Disbursing Officer (DDO), or other senior designated pay/personnel service representative properly authorized will be required to audit NSIPS transactions and supporting documentation impacting military pay PRIOR to releasing them, so as to ensure accurate and correct DJMS information is transmitted for inclusion into the Master Military Pay Account (MMPA).
- **Command Leadership:** CO/XO/CMC and key representatives (on large afloat command may include DHs, Dept LCPO, DIVOs, LCPOs, LPOs depending on organizational structure of the command)
- **CPPA:** Serves as the primary customer service link between command members and the supporting TSC or Regional Support Center (RSC). Duties and responsibilities are defined in MPM 1000-021. The term CPPA identifies personnel assigned the Navy Enlisted Classification (NEC) code of 791F, but for the purposes of this SOP may include Admin representatives who liaise directly with the ship's Personnel Office/TSC.
- **Note:** Recent and future NSIPS programming releases will continue to expand CPPA roles and capabilities within NSIPS. As such, CPPAs may accomplish TSC Clerk assigned steps within this SOP consistent with expanded NSIPS roles and capabilities and servicing TSC/RSC authorization.
- **Service Member:** A person serving in the Armed Forces who may be eligible for the entitlements listed in this SOP.

- In addition to SOP steps that identify specific documentation requirements, refer to Navy MILPAY Key Supporting Documents (KSD) Matrix, if required, to determine Key Supporting Documentation necessary to support the transaction. Current KSD matrix is maintained by FIAR at following website: <https://www.mynavyhr.navy.mil/About-MyNavy-HR/Commands/Navy-Personnel-Command/Organization/BUPERS/FIAR/MILPAY/>.
- Important Internal Control Action: MMPA verification steps within this SOP reflect important internal control actions that cannot be over-emphasized. This applies to the entire transaction process from its initiation and authorization through the final verification of the proper processing of the transaction in summary records. These particular SOP process steps are built-in management design control activities to ensure that all transactions are properly completed and accurately recorded.
- Update and verify monthly Operational Submarine Duty Pay (OPSUBPAY) tracking report. This OPSUBPAY tracking report is used to track Service Members who are NOT entitled to Continuous Monthly Submarine (CONSUB) duty pay but are entitled to OPSUBPAY for the frequent and regular performance of operational submarine duty. Clerk should follow-up with CPPA to resolve any discrepancies.
- All personnel are required to comply with all PII/CUI policy guidance per required annual GMT. For further information, refer to the DON CIO website: <https://www.doncio.navy.mil/>
