## Chief of Naval Personnel

### Process Name: Servicemembers' Group Life Insurance (SGLI) and Family Servicemembers' Group Life Insurance (FSGLI) Beneficiary Elections and Beneficiary Election Updates SOP

 **BACK**

**Document ID: End to End**

<b>Document Owner:</b>	<b>Approval:</b>	<b>Revision Date:</b>
MNCC HRSC, Navy Personnel Command	Navy Pay and Personnel Support Center (NPPSC)	21-Jul-23

#### **PURPOSE:**

The purpose of this Standard Operating Procedure (SOP) is to provide a common process for Customer Commands and Transaction Service Centers (TSCs) to follow when processing SGLI & FSGLI beneficiary elections and updates (changes) to beneficiary elections.

#### **Roles / Responsibilities:**

Roles / Requirements for the following SOP Roles are identified in this SOP:

- **Command Leadership:** CO/XO/CMC and key representatives (on large afloat command may include DHs, Dept LCPO, DIVOs, LCPOs, LPOs depending on organizational structure of the command)
- **Command Pay and Personnel Administrator (CPPA):** Serves as the primary customer service link between command members and the supporting TSCTSC or Regional Support Center (RSC). Duties and responsibilities are defined in MPM 1000-021. The term CPPA identifies personnel assigned the Navy Enlisted Classification (NEC) code 791F, but for the purposes of this SOP may include Dept/Div Admin representatives (e.g., large afloat commands) who liaise directly with the ship's Personnel Office/TSC.
- **Note:** Recent and future NSIPS programming releases will continue to expand CPPA roles and capabilities within NSIPS. Until such time as the new CPPA NEC code (791F) is fully implemented, individual TSCs and RSCs may assign TSC Clerk duties and responsibilities, as identified in this SOP and consistent with expanded NSIPS capabilities, to supported command CPPAs in order to facilitate the timely and accurate processing of Service Member pay and personnel transactions. As such, CPPAs may accomplish TSC Clerk assigned steps within this SOP consistent with expanded NSIPS roles and capabilities and servicing TSC/RSC authorization. Service Member: A person serving in the Armed Forces who may be eligible for the entitlements listed in the SOP
- **TSC/Personnel Office Supervisor:** Supervisor

- NAVADMIN 085/17 announced the launch of the Servicemembers Group Life Insurance (SGLI) Online Enrollment System (SOES). SOES is a web-based system available through My Navy Portal that allows Sailors to validate or change SGLI or Family SGLI (FSGLI) coverage amounts and beneficiaries quickly and easily without using paper forms. SOES is available 24 hours a day and provides detailed guidance to Sailors that enables them to make informed decisions on their life insurance policy elections.
- SOES replaces the SGLI Election and Certificate form (SGLV-8286) and Family Coverage Election form (SGLV-8286A) as the authoritative record of life insurance coverage.
- It is important for all Service Members to ensure their Servicemembers' Group Life Insurance (SGLI), Family SGLI (FSGLI), NAVPERS 1070/602 and DD Form 93 beneficiaries and contacts are current to prevent unintended beneficiaries from receiving the Service Member's benefits. A Service Member's failure to properly designate a person in any field for a member-designated benefit will default to an order of precedence established by the specific statute governing the particular benefit.
- If Service Member is updating SGLI or FSGLI election, determine also whether a RED/DA update is required.

All personnel are required to comply with all PII/CUI policy guidance per required annual GMT. For further information, refer to the DON CIO website: <https://www.doncio.navy.mil/>
