When temporary lodging has adequate cooking and eating facilities, the daily TLA rate for lodging does not change, but the M&IE amount is reduced by one half. That reduced M&IE amount based on adequate cooking facilities does not apply when a friend or relative provides lodging or to the first and last days of TLA. When the Service member shows the official designated in the local TLA regulations that the facilities for preparing and consuming meals are inadequate or, for other reasons, may not be used for all or part of the period involved, the Service member may be authorized TLA without the M&IE reduction.</p>
