This 2<sup>nd</sup> quarter has been all about empowering you with the tools and knowledge to excel. We have continued to refine our SOPs, providing clear, step-by-step guidance for complex transactions right on the MyNavy HR website.

Looking ahead to the next quarter, our focus will be on targeted training to support major process updates.

We are committed to providing you with the direct training and resources needed to master your craft and deliver first-class pay and personnel support to the Fleet.

Thank you for your dedication.
