

NAVY PAY AND PERSONNEL SUPPORT CENTER OPS ALERT

Ser N3: 022-20

Procedure Update: **STRIKE-THROUGH AUTHORIZED FOR NEW ACCESSION STUDENT ORDERS**

Release Date: 05/05/2020

Effective Date: IMMEDIATELY

BLUF: A single line strike-through has been authorized for LifeSkills course of instruction at I-STOP Training Support Center Great Lakes in orders for CS/MC/AG/Ceremonial Guard/Premier Bands D.C./Annapolis/Constitution and Arizona accession Sailors.

DISCUSSION: Due to the bubble-to-bubble travel to protect our Sailors getting to their next duty station as expeditiously as possible. On 20 April 2020 Commander Naval Education and Training Command (CNETC) RADM Cozad approved temporary stoppage of the life skills course requirement for ratings identified. This will ensure processing of gains, per diem, travel request, and submission of travel claims in a timely manner.

WHAT THIS MEANS TO YOU:

- Effective immediately, you will see a strike-through and comment referencing OPS Alert 022-20, executed by TSC-RTC Great Lakes on accession Sailor orders for LifeSkills course of instruction at I-STOP Training Support Center Great Lakes.
- **Sailors should be processed using NSIPS loss transaction date from RTC Great Lakes.**
- Ensure training held at the TSCs, PSDs levels and with CPPA's.
- Disseminate to all commands under your ADSN.
