## OPS ALERT

Ser: 002-26

### **UPDATE: 2026 CONUS COLA ADJUSTMENTS FOR COMMANDS IN HIGH-COST AREAS**

Release Date: 01/28/2026    Effective Date: 01/01/2026

**BLUF:** The Continental United States (CONUS) Cost of Living Allowance (COLA) index is updated each January by the Defense Travel Management Office (DTMO). This year the index changes encompass several new areas to include San Diego, Seattle, and other locations. Commands should review their eligibility and request a start of this allowance for all members in the areas entitled.

**CONUS COLA:** CONUS COLA is a taxable supplemental allowance designed to offset high prices in the highest cost locations that are at least 7 percent more expensive than the national average. Rates can increase or decrease depending on the non-housing prices in a duty location as compared to non-housing prices in an average CONUS location. Visit the DTMO site below for eligibility:
